

Lone Wolf District Officer Application 2018

The 2018-2019 Lone Wolf District Officer Team will be selected by a panel of judges at the District Degree Check in Ira on My 10th @ 2:30pm. All FFA members within the district are eligible to run as long as they have completed or are completing at least 1 YEAR of Ag Science courses.

However, students must have completed or currently be enrolled in at least 2 Ag Science courses to be eligible for district office. There is no limit to the number of candidates each school may have. Each candidate will submit an application and participate in a personal interview with a panel of judges at the check; thus it is mandatory that all candidates attend the District Degree Check. The judges will use the interview scores and applications to select 7 or more officer candidates to present speeches to the Lone Wolf Delegation. District officers DO NOT take a test and the judges' decision will be final.

Following the announcement of the seven or more officer candidates they will each present a short speech (up to three minutes, no less than two minutes) to the voting delegates who will then vote for who they want to represent them as President, Vice President, etc. The results will be tallied by a group of agricultural science teachers and results will be announced at the District Banquet.

If there are any questions regarding the selection process for L

one Wolf District officers,
lsellers@ira.esc14.net.

IMPORTANT: All district officer candidates need to submit their applications to lsellers@ira.esc14.net and cwomack@hermleigh.esc14.net by noon on May 9th in PDF form. This will allow judges time to adequately review applications and speed the selection process.
