- Varsity Swim Team
- Drum Major
-Brazoria County Fair Queen Candidate

Howdy Area III,

My name is Madison Albair and I am the loudest, proudest, Area III, District III, FFA member you will meet! I am here representing the Columbia-Brazoria FFA chapter for the first time since... a VERY long time! The FFA organization has been apart of my life for nearly 6 years! This journey began in 7th grade when my best friend convinced me to go to a Livestock judging competition... this one competition ignited a spark in me that would forever change my perspective on trying new things. My friend pushed me outside my boundaries and that is exactly what I want to do for all of you! Without the help of a leader I would not be the person I am today, or in this position. Area III... I want to serve the organization that shaped me into the person I am today; a strong, dedicated, FFA loving gal.

Madison Albair
Area III Officer Candidate
