# Klein ISD FFA Livestock and Project Show 2021-2022

## GENERAL SHOW RULES

1. All exhibitors are encouraged to have a pre-sale buyer for each large animal project shown. Pre-sale forms due on **January 28, 2022 (Friday)** to student's Agriscience teacher.
2. Only Klein ISD students who are enrolled in at least one Agriscience course for a minimum of one semester during the current school year and have paid their FFA dues may exhibit projects.
3. All students exhibiting animal projects must take a **mandatory** "Quality Counts" online training and submit their verification number to their FFA Advisor by **December 3, 2021 (Friday)**.
4. Students deemed ineligible by UIL guidelines are not allowed to show. Both the animal and student are considered ineligible. Ineligible students are not allowed to bring their project(s) onto the show facilities or to sell their animal with any affiliation to the show.
5. FFA members may not miss more than two (2) FFA meetings in order to be eligible to show. Projects of these students are not allowed on the show facilities.
6. All projects for the Klein ISD FFA Livestock and Project Show must be housed within a 20-mile radius of Klein ISD for project supervision. The project may have to be transported by the exhibitor to weigh days at the Advisors discretion.
7. Records for all projects shown must be kept in the student's record book.
8. Exhibitors must groom their own animals. Guardians of the student/project and the Agriscience teacher(s) may assist on the show facilities. No fitters will be allowed to groom animals.
9. The unethical fitting of livestock and/or treatment of animals will not be allowed. Any occurrence will be reviewed by the Show Association and Klein ISD personnel and can result in removal from participation.
10. Ownership of projects may not be transferred after selection/ validation for that specific project. Poultry projects may be shared by siblings in an immediate family but must have a corresponding entry. Any ownership change prior to selection must have FFA advisor and Klein ISD FFA Show Committee, Inc. approval.
11. All projects must be in place no later than 5:30 p.m. on **February 9, 2022 (Wednesday)** unless otherwise designated, in order to be eligible to show. Exhibitors arriving late are not allowed to show.
12. Any substance administered to projects at the Show Barn for illness must be administered under the supervision of the project show veterinarian and advisor. All expenses are the responsibility of the exhibitor.
13. In the event of a complaint/infraction of the rules it must be submitted in writing the day of the event to the Klein ISD Show President. The Show Committee will review the concern and decide the outcome by a quorum of the Committee.
14. A committee comprised of three advisors will check projects for the following:
  - a. All unruly/dangerous livestock are not allowed to show; and
  - b. Any animal that is sick or shows symptoms of disease will be removed.
15. A substitute exhibitor may be allowed only for an illness or injury with a doctor's note. The doctor's note must be turned in at check-in. The substitute exhibitor must be from the same school, meet UIL eligibility guidelines, and be an active FFA member.
16. Exhibitors are required to keep their space(s) clean and to provide feed and water buckets.

## 2021-2022

17. All animal identification (ear tags, bands) must remain in the animal to final destination after the show. Removal will result in a replacement fee of \$75 to be deducted from show proceeds to the Show Association.
18. Students are responsible for completing paperwork and loading their project(s) after the show.
19. Any project left on the show grounds becomes property of the FFA Chapter.
20. Show commission shall be deducted as follows:
  - Auction: 10%
  - Tent Sale: 10%
  - Add-Ons: 10%
  - *Note:* 1% from the amount above will be designated contingency fund and the remainder will apply toward show expenses.
21. All obligations to the buyer and the Agriscience program must be fulfilled before a student receives money.
22. All exhibitors are required to wear the following while exhibiting their project:
  - White shirt, black pants, blue scarf or tie, and black shoes or boots.
  - Official FFA jacket is required for all shows excluding Floral Design, Horticulture and Agriscience Fair.

Failure to comply with official dress requirements will result in being ineligible to exhibit or sell your project. See division rules for poultry exhibitors.
23. All exhibitors are required to write thank you letters to buyers and award sponsors. The deadline for completing all thank you letters is **March 4, 2022 (Friday)**. Failure to turn-in all thank you letters will result in the following monetary penalties:
  - a. A **10% reduction** from the money to be received will be applied weekly to the balance due to the student until the Ag teacher receives all of the required thank you letters.
  - b. The student's money will be held until all of the required thank you letters have been submitted.
24. **Mandatory** clean-up for all students is 1:00 p.m. on **February 13, 2021 (Sunday)**. Clean-up work completed before this time is not considered in fulfilling the mandatory clean-up requirements for exhibitors. Failure to attend will result in a 5% deduction from the student's check.
25. Entries are awarded ribbons for first through tenth place according to merit. Trophies, banners, and buckles are awarded to Grand Champions. Belt buckles and banners are awarded Showmanship and Reserve Champions.
26. Load-out after the show is **February 13, 2022 (Sunday)** at 8:00 a.m. for processors and 10:30 a.m. to 11:30 a.m. for buyer pick-up.
27. Klein ISD is not responsible for any losses, accidents or injuries to any person or entry. Texas Statute (Texas Tort Claims Act §101.051) provides Klein Independent School District, its trustees and employees, tort immunity because of bodily injury or property damage resulting from the District's premises or its operations. Participant agrees to hold harmless and indemnify the Klein Independent School District, its employees and volunteers for any injury sustained by participant occurring or alleged to have occurred in the course of, or as a result of, the activities as a participant in the KISD FFA Livestock & Project Show. Participant agrees to abide by all Klein Independent School District policies and procedures and accepted guidelines pertaining to this project as well as all the Klein Independent School District safety rules and regulations.
28. Exhibitors receiving more than \$600.00 in total earnings will be issued an IRS 1099 form.

## ANIMAL IDENTIFICATION AND DRUG RESIDUE POLICY

### DNA Testing

The purpose of DNA testing is to support the validity of ownership of the animal.

- a. An initial hair sample will be collected from each animal (steer, lamb, goat and swine) at the time of the selection process. Exhibitors must remain with their animal during the collection process.
- b. A legal guardian needs to be present when the sample is taken. If legal guardian cannot be there a waiver form must accompany the student and be presented to show officials. Forms may be obtained from the ag teacher.
- c. The hair samples will be sealed in a tamper-proof envelope identified by the animal's ear tag number. The hair sample collection process will be facilitated by the Klein ISD FFA Show Committee, Inc. designee.
- d. The initial hair samples will be stored under the supervision of the Klein ISD FFA Show Committee, Inc. (Show Committee)
- e. The Show Committee reserves to the right to initiate a DNA comparison test on any animal in the steer, lamb, goat, and swine divisions if ownership is in question (i.e. when an ear tag is lost or there is a question of tampering).
- f. If someone outside of the Show Committee wishes to submit a protest of ownership, it must be made with specific reasoning in writing, along with \$250 cash, to the Klein ISD FFA Show Committee, Inc. The protest will be reviewed and considered by the Show Committee. If the protest is accepted, the \$250 cash collected from the person protesting will be used, in part, to pay for the DNA testing. The \$250 fee will be refunded if the protest proves to be valid (DNA does not match initial sample).
- g. If the owner refuses the collection of the initial DNA sample or a sample to be compared to the initial sample, or if the sample comes back from testing and it does not match the initial DNA sample, the entry is disqualified and the exhibitor forfeits all awards and all sale money (premium, freezer, gifts) collected through the Show Committee. In addition, any future Klein ISD FFA Livestock and Project Show entries of this exhibitor are subject to DNA testing.

### Drug Residue Policy

- a. Drug residue testing: Exhibitors and guardians consent and agree that any market entries may, at the discretion of the Show Committee, be tested for unauthorized use of medications or drugs. They further certify that they will not administer their market entry with any substance not approved by the FDA and/or USDA for this species. (For example, they will not give a substance labeled as swine feed supplement to poultry.) Their entry is not, nor will it be, within any withdrawal time relative to the administration of any drug, chemical, or feed additive approved by the FDA and/or USDA by the time the animal(s) is officially checked-in by the Show Committee. As condition for participation in the show, every exhibitor must agree to submit their animal(s) for testing at any time after check-in. The Show Committee reserves the right to perform any test, including but not limited to tissue, blood and/or urine laboratory analysis, on the grand and reserve champions, along with a random group of animals from each division. Random selections will be drawn prior to exhibition of the projects and posted for the exhibitors. The Show Committee

## 2021-2022

President, Klein ISD Career & Technical Education (CTE) Director, and KISD CTE Coordinator for Agriscience will do the random drawing. The exhibitor and his/her guardian must be present during the collection for testing and must witness the sample; thus verifying the sample to be properly collected and prepared for analysis. The Show Committee reserves the right to condemn and/or disqualify any animal, either alive or dead, found in violation of the use of any drug, chemical, or feed additive as described above and the exhibitor will forfeit all awards and sale proceeds and be subject to testing at future Klein ISD FFA Livestock and Project Show. If an animal is disqualified for testing positive and/or the carcass condemned at slaughter, the disqualification will not impact class or overall placing for that species.

- b. If a sample tests positive for illegal drug residue during the preliminary test, the guardian/exhibitor has the right to request a second test to confirm the results. The second sample taken from the same animal will then be taken to a private firm for further testing. The guardian/exhibitor will be responsible in advance for all costs associated with this second test. Should the results of the second test not confirm the findings in the first test, the cost of the test (minus shipping and handling) will be refunded. Knowledge of this pending information will only be made available to the Klein ISD administration, Klein ISD CTE Coordinator for Agriscience, Agriscience Instructor and the two officers Show Committee for privacy purposes only.
- c. Emergency Treatment: If an animal requires emergency treatment while on the Show grounds, only a licensed veterinarian with the prior approval of the Show Committee will be allowed to administer a drug, chemical, or feed additive. Treatment Cost: All treatment costs are the responsibility of the exhibitor.
- d. Exhibitors refusing to submit their animal/pen for drug testing will be disqualified and must remove their animal/pen from the show grounds immediately.
- e. Ultimate Care and Responsibility: By making entry into the Klein ISD FFA Livestock and Project Show, the exhibitor agrees and understands that ultimate care and responsibility for an animal/pen rest solely upon the exhibitor until such time that possession of the animal is turned over to the buyer and/or his agent(s).
- f. Exhibitors are encouraged to stay with their animal/pen during the hours that the Klein ISD Multipurpose Center is open. No one other than to the Klein ISD Police Department and Klein ISD Multipurpose Center staff will be allowed in the Klein ISD Multipurpose Center when it is closed. The Show Committee is not responsible for the acts of third parties. Exception: Klein ISD staff and the staff of the Show Committee may remain to conclude official business if approved by the Klein ISD CTE Coordinator for Agri-Science.
